

VOTE REFORM UK

Vicky Rhodes

Leigh Park Hermitage

Thursday 2nd May 2024

I am honoured to represent the Reform UK party in our local election.

Having grown up in Havant Borough, I moved away but returned to be nearer my family.

I brought my two children up as a single parent, making me a stronger person.

I have been a councillor before and I believe in getting things done so please vote for me so that I can represent you on the council.

These are just some of the things I will stand for:

- ✓ **REGENERATION** - Having been neglected for so long, Leigh Park desperately needs regeneration to improve the condition of our Greywell Shopping centre.
- ✓ **ANTI-SOCIAL BEHAVIOUR** - More Police are needed on our Streets to deter drug abuse and prevent shoplifting (theft).
- ✓ **FLY TIPPING AND LITTER** - Nobody likes litter on our streets. I Want to protect amenity tips and make them more accessible.

If you want change, then you must vote for change
